Discover the pure essence of elegance with Matt white tiles, where pristine surfaces reflect light and create a bright, airy ambiance. Transform your space into a haven of serenity and sophistication, showcasing a timeless aesthetic that is both stunning and versatile.

Application Areas

From cozy home environments to expansive commercial projects, the **Spemax Collection** surfaces deliver exceptional benefits in a variety of spaces. Discover the primary areas where these surfaces truly shine:

Residential Spaces

Commercial Spaces

Resistance to Scratch

Eco Friendly

Resistance to Chemical

Hygienic surface

Unique elements for your space

Our surfaces carry high qualities and exceptional attributes, giving you the ideal solution for superior performance.

Advanced Glaze Technique

The advanced glaze technique offers a breakthrough in aesthetics and durability, providing a superior finish.

Resistance to UV Light

This feature ensures added durability even during sunlight exposure, enhancing your surface's longevity.

Resistance to Scratch

Boosted with exceptional scratch resistance to ensure that the surface remains pristine and unblemished even with frequent use.

Resistance to Abrasion

This feature is apt for areas with heavy footfall and ensures to improve the durability of your surface.

Resistance to Stain

This resistance not only helps maintain the aesthetic appeal of your surfaces but also extends their lifespan.

Low Water Absorption

This feature effectively resists moisture and prevents damage while focusing on the durability of your surface.

Thermal Resistant

This refers to their ability to withstand temperature fluctuations without being affected by heat or cold.

Resistance to Fire

The fire-resistant feature contributes to a safer environment, providing added security and durability in everyday use.

Zero Bacterial Risk

An advanced technology that helps to prevent the growth and spread of harmful bacteria.

Eco Friendly

Perfect for environmentally conscious homes and commercial spaces, these offer both style and sustainability.

Resistance to Frost

In order to safeguard your space against low temperatures, our surfaces are amassed with resistance to freezing.

No Colour Fading

This feature ensures that the colour remain vivid and true over time, even with exposure to daily wear and tear.
