Our environments are a celebration of the natural beauty of wood. Between tradition and modernity, our collections are a reinterpretation of wood in ceramics.

Warm, welcoming tones are distinctive and evocative colours highlight and brighten nature's own textures and patterns.

The epitome of tiling Innovation

Gone are the days when the significance of tiles was limited to covering surfaces. Today, tiles are considered as one of the most important elements for decorating spaces. Be it indoors or outdoors, the role of tiles is indisputably vital. To address the changing times, Spenza has developed a class apart collection of tiles that consists of versatile tiling solutions having a variety of designs, patterns, finishes, and sizes.

**200X
600mm**

*Beautifully
Elevated
Elevations*

Spenza brings you new range of extraordinary designs to its highly acclaimed 30x60 cm elevation tiles collection. The series now stand as the most creatively exuberant series waiting to revolutionize exterior elevation. Available in Hard Matt & Satin Matt finish, they are also suitable for both indoor and outdoor application, making them versatile and highly commendable.

PACKING DETAIL

Product	Size	Pcs. / Box	Area / Box
WALLTile	200x900mm	4	7.74 sq. fit
	200X600mm	6	7.74 sq. fit

Note: Colour Shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserve the right to change the specifications without prior notice. Sometime variations in shade or size being inherent to ceramic industry may occur. Before fixing, we advise you to follow the fixing instructions on the cartons of the tiles as no responsibility can be accepted by the company once the tiles have been fixed.
