Reflections Of Purity.

Transforming ordinary spaces into extraordinary

This collection from Spenza is synonymous with elegance, luxury, and influence that evolves ordinary spaces into extraordinary ones. This collection is available in a versatile size of 600x1200 MM and an array of design ideal for application in various sizes.

Advantages

Aesthetic appeal

Special textured surface and tile design make these tiles highly appealing. It comes in different textures and designs.

Higher Thickness

Higher thickness of 09mm makes this collection ideal for application in any outdoor area.

Long lasting

A. Extremely high resistant to loads and traffic due to high impact resistance.
B. Higher wear and abrasion resistance
C. Higher resistance to polluting chemicals

Resistant to color fading

Endless tiles do not lose their original colour and hue in direct sunlight.

Weather Resistant:

Endless Collection is resistant to extreme weathering conditions. Also, these tiles are resistant to climatic shocks, do not suffer in extreme weather conditions such as high-temperature variations, rains, etc.

Slip Resistance

For outdoor application, Endless tiles collection meets the requirement of floors with higher slip resistance. This collection comes with an Rio level of slip resistance.

Maintenance Free

Endless tiles collection is easy to clean and maintain. It has better stain resistance.
