## Multiple Finishes Choices

Pattern Kraft tiles feature two distinct finishes, each designed to serve different functions. The GHR finish offers a luxurious, smooth, and stain-resistant surface, making it ideal for modern spaces. The matt finish provides a non-reflective, superior grip surface that offers a subtle, rustic, and sophisticated appearance.

## Diverse Sizes Options

To make every space feel spacious and lively, these surfaces come in two different dimensions. The patterned tile has a 300x300mm size, offering a perfect balance between aesthetic appeal and practical functionality. The 600x1200 size creates a modern, luxurious aesthetic by minimizing grout lines for a seamless, continuous look that makes spaces feel larger.
